Introduction to the Collection

This is the administrative record for the Pine Street Canal Superfund Site, Burlington, Vermont, Explanation of Significant Differences (ESD), released April 2009. The file contains site-specific documents used by EPA staff in selecting a response action at the site.

This file includes, by reference, the removal administrative record issued March 8, 1985, the removal administrative record issued December 20, 1988 and the administrative record for the Record of Decision (ROD), issued September 29, 1998.

The administrative record is available for review at:

EPA New England Superfund Records and Information Center
1 Congress Street, Suite 1100 (HSC)
Boston, MA 02114
(by appointment)
617-918-1440 (phone)
617-918-1223 (fax)
www.epa.gov/region01/superfund/resource/records.htm

Fletcher Free Public Library
235 College Street
Burlington, VT 05401
<http://www.fletcherfree.org/>

University of Vermont
Bailey-Howe Library
Burlington, VT 05401
<http://library.uvm.edu/>

An administrative record is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).

Please note that if this administrative record is contained on a compact disc(s) (CD), it may include index data and other metadata (hereinafter collectively referred to as metadata) to allow the user to conduct index searches and key word searches across all the files contained on the CD. All the information that appears in the metadata, including any dates associated with creation of the indexing data, is not part of the administrative record for the Site under CERCLA and shall not be construed as relevant to the documents that comprise the administrative record. This metadata is provided as a convenience for the user and is not part of the administrative record.

Questions about this administrative record should be directed to the EPA New England site manager.
